

2025 Laboratory Improvement Programs Order Form for International Laboratories

Instructions:

This form may be (a) used to submit your completed order or (b) filled out to request a formal quotation (select “Pro-Forma Required” in the Payment Information section). If you require assistance with program selection or have additional questions related to our program offering, please contact our International Market Development Team (internationalteam@cap.org).

Initial Information:

To create your account in our system and assign you a unique identifier (seven-digit CAP number), we need some basic information.

- Institution Name – this is the overall organization name and will appear in your Organization Profile online.
- Laboratory Name (optional) – this will allow you to provide an extension of your institution name or provide a secondary laboratory name.

Medical Director:

This is the primary management contact for the testing site, and required information to participate in our proficiency testing (PT)/external quality assessment (EQA) programs. This person does not need to possess an MD or PhD degree.

Additional PT/EQA Contact Information:

Participation in the CAP PT/EQA programs requires several communications. Specifying the appropriate information below will ensure prompt communication.

- Ordering Contact – used for ordering questions; receives order acknowledgements and order confirmations
- Shipping Contact – used for shipment inquiries including customs clearance; receives shipment notifications
- Shipping Address – used for delivery of PT/EQA kits and binders
 - This must be a physical address. PO boxes are not acceptable.
 - Most customers use the physical street address for the organization. Be as specific as possible (eg, the receiving department, the room or floor level of the laboratory).
 - If your shipments are managed through a third party (a freight forwarder, a distributor, etc.), then please indicate the appropriate option and provide the related information.
- Mailing Address – this is to receive evaluation reports and other documents (non-kit materials); if this is blank, the shipping address will be the default for mailing items.

CAP Invoice Types:

Each type of invoice listed below serves a different purpose and not all may apply to your organization.

- Proforma Invoice – preliminary bill of sale with a quotation; may be used for a cost estimate or to support generation of purchase order within your organization
- Commercial Invoice – document that provides additional information regarding the kits and is used for customs declaration during shipment
- Financial Invoice – document that itemizes the sales of programs and services used by the customer to remit payment to CAP

Payment Information:

- To receive a formal quotation, please select “Pro-Forma Required,” leave the rest of the page blank and complete the Billing Information section on the following page.
- If you wish to place an order, then please indicate one of the payment methods and provide the requested information. There are five payment options – check, purchase order, credit card, letter of authorization, and wire transfer – with instructions for each option.

Billing Information:

To avoid order delays, we need the appropriate financial contact name, mailing address, and email address. Invoices related to your PT/EQA will be emailed to the contact provided. If the payment to the CAP is made by a sales agent/distributor, then please provide their related information where indicated on the form.

Programs Selection:

The remaining pages capture the programs you would like to order. The first set of pages feature new programs and selected additional resources. The remaining pages are blank for you to enter your order. Please print out additional blank pages if needed.

Payment Information

If you want a formal quotation, select "Pro-Forma Required." This is NOT a method of payment.

Pro-Forma Required

If you wish to submit an order for processing, you must **include one** of the five payment methods to avoid delays.

1. The customer is responsible for all bank fees associated with submitting a wire transfer; therefore that amount should be included with your payment. (See Ordering Supplement for additional information.) When submitting payment, please include customer name, CAP number, account number, and invoice and/or order number. Information on **where to remit payment is provided below.**

Wire Transfer

Remit payment to:

BMO Bank N.A.
320 S. Canal Street
Chicago, IL 60606 USA
Phone: +1-312-461-2323

Account Name: The College of American Pathologists
Account Number: 223-733-7
ABA Number: 071000288
SWIFT #: HATRUS44

2. The CAP accepts credit card for payment (VISA, Mastercard, and American Express). To keep your card information safe, please provide a contact and indicate a phone number for the CAP to directly contact.

Contact Name

Phone number

Best time to call locally

3. A purchase order indicates a future commitment to pay. Once it is generated, please indicate the purchase order number below. **Include a copy of the full purchase order with your completed order form.**

Purchase Order Number

4. If a purchase order is not available, a signed letter of authorization on your institution's letterhead is acceptable. Please specify the payment method (bank draft, wire transfer, etc.) in your letter. **Include a copy of the letter with your completed order form.**

Letter of Authorization

5. If making payment by check, please make payable to the College of American Pathologists in US dollars. Indicate the check number below and **send the check to the address provided.**

Check Number

Send check to:

College of American Pathologists
325 Waukegan Rd, Northfield IL 60093
